This is a response to the Office Action Summary for my application filed on 25 February 2004.

I am responding to the examiner, asking him to reconsider the Election of Claim 1, with traverse. The Claim 1 is taken from the Office Action Summary correspondence, section 1.1 on page 2, which states that:

1.1 Claim 1, drawn to a web browser system for images, classified in class 709, subclass 219.

Please allow me to state that the Claims 1-4 together form a system that provides a complete and practical solution. I appreciate your review my application.

Best Regards,

Christopher Scott Lindsey
